

16th ANNUAL SKATE, WALK or WHEEL A-KID-TO-CAMP

March 14th, 2009.

SKATE A-KID-TO-CAMP is a fundraising event in which 100% of all proceeds are used to send children with disabilities to camp Bonaventure. Camp Bonaventure offers activities such as horseback riding, canoeing, wall climbing, overnight camp outs, campfire sing-along's, swimming, arts and crafts and sailing. Teams of eight can be organized and registered with the "Between Friends Club". I am also going to contact Angela for more information for packages. **If you decide not to skate, walking is also allowed for this event.**

I personally would like to know your confirmed status of attending this event by **January 31st**, as I can organize most of this committee before my 10 midterms. As we may need two teams or just one large team registered.

If you have any further questions or want to be involved with the committee please contact me at cwoo@ucalgary.ca or talk to President Amy.

I also forgot to mention that due to my background and with skating, I recommend that you brush up on your skating abilities to prevent scars, bruising and concussions (I will bring a helmet for those individuals). Also to lighten things up and increase team bonding I have decided that there will be rookie duties and **possibly a challenge between Rookie and Veterans of the club.**

Sincerely,
Chris
